The Lead Story

Whodatjuan made it 8-1 with the highest score of the week, 149.02, and a 62.42-point win over satiro, even though its QB, M. Willis, managed 4.82. K. Walker III carried the lineup with 36.30 (18 carries, 102 yards, a TD, plus four catches and two more TDs) as Sleeper's RB of the week.

The only close game belonged to 00sef, which beat Raymond49 144.36 to 133.38 and moved to No. 1 in the power rankings. Raymond49 was Sleeper's best manager at 99% of a perfect lineup and still lost, and now sits at 7-2. Elsewhere, Karrrobi's 78.16 was a new season low, Jer13 (88.00) was the worst manager, and a Nov. 10 trade sent Kirk Cousins to Zaniac18 and Bryce Young and Wan'Dale Robinson to hogsett7.

Finals, records and awards are Sleeper's. Sleeper's printed pages show only the first four starters per team, so lineup detail is limited to those rows plus the weekly report.
