• The lowest-projected game of the week (165.34 combined) because both lineups carry holes.

• JLozoya has A. St. Brown on bye and M. Mariota (O) sitting at 0.00 with a Monday kickoff. K. Sadiq (O) is projected at only 5.47.

	91% win	PROJ 9% win	

Line: hogsett7 -60.84 | **O/U:** 201.28 | Season avg: hogsett7 132.3, satiro 114.1

• Sleeper gives hogsett7 a 91% win chance, the most lopsided number of the week (60.84-point spread).
• satiro has four starters on bye (C. Brown, O. Gordon, J. Williams, J. Bates), so four lineup slots project to 0.00. The team has to find replacements or take a 70.22 projection.
• hogsett7 just lost with 188.86, the highest losing score of the season. Its only zero is K W. Reichard on bye, and a Monday-night pair (McCaffrey, Evans) gives it late-week leverage.

Line: Raymond49 -15.91 | **O/U:** 246.15 | Season avg: mattware1199 125.2, Raymond49 154.6

• Raymond49 (5-0) is the league's only unbeaten team, but its K E. McPherson and DEF Vikings are both on bye, which is why the projection (131.03) sits 23.6 under its 154.6 average.
• mattware1199 (1-4) projects at 115.12 with C. Lamb (Q) the top piece at 20.13 and three starters on a Monday night tilt (J. Daniels, J. Croskey-Merritt, Commanders).
