• Whodatjuan (5-1) projects at 140.78 against Karrrobi's 105.85, a 34.93-point line, the second-biggest of the week. Its best projection is J. Smith-Njigba at 23.54 (Sunday 7:20 PM, vs KC).
• Whodatjuan's empty DEF slot from Week 6 is filled with the 49ers (6.86). C. Brown (14.88, CIN at BAL) is now in the lineup after the Brown-for-Jacobs trade.
• Karrrobi (3-3) has two Questionable starters: QB L. Jackson (21.97) and TE T. Hockenson (9.58). Their status decides whether 105.85 holds. Karrrobi's Week 6 high of 130.80 shows the ceiling.
