

One Bite Fantasy League

Week 2: Thursday Recap & Sunday Slate Preview

Thursday Night Recap

Bills 41, Lions 31 · Season opener rematch of last year's playoff thriller

A shootout that touched four of the league's six matchups. Josh Allen was the story — 3 passing touchdowns and 2 rushing scores for a monster 40.82 — but Detroit's passing game kept pace almost single-handedly behind Jared Goff's four-touchdown night, with Amon-Ra St. Brown turning in the single best individual score of the two days.

Player	Team / Line	Fantasy Team	Pts
Amon-Ra St. Brown (WR, DET)	L 31-41 @ BUF · 9/13 rec, 142 yd, 2 TD	JLozoya	35.20
Josh Allen (QB, BUF)	W 41-31 vs DET · 20/31, 248 yd, 3 TD, 14 car, 69 yd, 2 TD	00sef	40.82
Jared Goff (QB, DET)	L 31-41 @ BUF · 26/38, 327 yd, 4 TD, 3 car, 7 yd	Jer13	29.78
Jahmyr Gibbs (RB, DET)	L 31-41 @ BUF · 16 car, 52 yd, 6/8 rec, 61 yd, 1 TD	Jer13	23.30
Dalton Kincaid (TE, BUF)	W 41-31 vs DET · 7/8 rec, 95 yd, 1 TD	NathanR918	22.50
James Cook (RB, BUF)	W 41-31 vs DET · 21 car, 135 yd, 1 TD, 1/3 rec, 4 yd	Karrrobi	20.90
Sam LaPorta (TE, DET)	L 31-41 @ BUF · 6/7 rec, 52 yd, 1 TD	Jer13	17.20
Jake Bates (K, DET)	L 31-41 @ BUF · 1/1 FG, 4/4 XP	satiro	7.00
Jameson Williams (WR, DET)	L 31-41 @ BUF · 2/4 rec, 33 yd	satiro	5.30
DJ Moore (WR, BUF)	W 41-31 vs DET · 1 car, -1 yd	Whodatjuan	-0.10

The rough beat: DJ Moore played through what looks like a very limited role for Buffalo (one carry, negative yardage, no targets) despite the Bills' blowout win — worth watching his usage note before locking him in again. On the other end, Amon-Ra St. Brown's 35.20 already has JLozoya's Week 2 win projected at 51%, and Jer13's Goff/Gibbs/LaPorta trio combined for 70.28 points on a losing team — the offense produced even in the loss.

Today: Sunday Slate Preview

All 6 matchups · Scores reflect Thursday only — today's and Monday's games still to play

A couple of storylines worth knowing before lineups lock: **Jer13** put both Jahmyr Gibbs and Matthew Stafford on the trade block this week — shopping your best Thursday performer the same week he goes off is a bold sequencing choice. **Caullyn** did something similar, listing both Tee Higgins and Trey McBride on the block while starting both of them today. And **Raymond49** is already plugging in a fresh waiver pickup, Xavier Hutchinson, in the flex spot this afternoon.

real njigbas (00sef) vs. Team satiro

00sef 40.82 (73% proj. win, 154.30 final) — satiro 12.30 (27% proj. win, 122.63 final)

Puka Nacua (00sef) is the headline name on this slate but doesn't actually play until Monday night vs. the Giants — along with Kyren Williams. Today's action for this matchup centers on Rhamondre Stevenson and Chuba Hubbard for 00sef, and Dak Prescott, De'Von Achane, and Chase Brown for satiro, who needs a big afternoon just to get back in this one.

Dan Smith (mattware1199) vs. Fire Jerry (NathanR918)

mattware1199 0.00 (39% proj. win, 124.19 final) — NathanR918 22.50 (61% proj. win, 138.62 final)

NathanR918 banked 22.50 from Dalton Kincaid on Thursday and now gets Ja'Marr Chase (17.24 proj) against Houston. mattware1199's whole afternoon runs through CeeDee Lamb (17.79 proj) and Jayden Daniels (20.24 proj) — Travis Kelce and Malik Nabers are both held in reserve for Monday night.

Benny and The JJets (Zaniac18) vs. Eight Games to Life (Karrrobi)

Zaniac18 0.00 (51% proj. win, 127.88 final) — Karrrobi 20.90 (49% proj. win, 126.82 final)

Karrrobi banked James Cook's 20.90 Thursday and rolls into today with Derrick Henry (15.19 proj) and a full slate of colorfully nicknamed starters. Zaniac18 counters with Bijan Robinson (16.62), David Montgomery (17.07), and Justin Jefferson (17.73) — the tightest projected margin of the week at just over one point.

the big benny yahu (Whodatjuan) vs. Jer13

Whodatjuan -0.10 (26% proj. win, 116.85 final) — Jer13 70.28 (74% proj. win, 146.96 final)

Jer13's Thursday trio (Goff, Gibbs, LaPorta) built a big early lead, and Aaron Jones plus a two-flex bench of Rico Dowdle and Jordan Addison round out the day. Whodatjuan needs a big one from Jalen Hurts (20.78 proj) and Jaxon Smith-Njigba (18.72 proj) just to make this respectable — DJ Moore's dud Thursday didn't help.

HeroGma (hogsett7) vs. Pearsall's Second Shot (Raymond49)

hogsett7 0.00 (51% proj. win, 125.95 final) — Raymond49 0.00 (49% proj. win, 124.74 final)

The only matchup with nobody having played yet — both teams' entire day is still ahead. Bijan Robinson's 22.91 projection is the single highest number on the board today, and Raymond49 is already turning to waiver pickup Xavier Hutchinson in the flex. hogsett7 leans on Christian McCaffrey ("My only hope," 19.75 proj) and Drake Maye ("Drake bell," 18.87 proj).

Ryan Flournoy (JLozoya) vs. Romosexual Tendencies (Caullyn)

JLozoya 35.20 (51% proj. win, 136.67 final) — Caullyn 0.00 (49% proj. win, 135.48 final)

JLozoya's early St. Brown outburst gives it a projected edge, but Caullyn's entire lineup is still to play and loaded — Jonathan Taylor (18.81), Javonte Williams (17.44), and both trade-block names, Tee Higgins and Trey McBride, all go today. Closest projected final margin of the whole slate at just over one point.
