Week 3: Sunday Slate Preview

Thursday Night Recap

Falcons 35, Packers 14

Atlanta ran away with it behind Bijan Robinson's monster night (29 carries, 194 yards, 2 TD, 35.30 points) and Drake London's near-perfect receiving line (9/10, 194 yards, 28.40 points) — those two alone outscored every other Thursday performer combined. Green Bay's night was a mess across the board: Matthew Golden's 100-yard game (21.00) was the lone bright spot, Christian Watson still managed a solid 22.60, but the Packers defense finished with a negative score (-2.00, 35 points allowed) in the loss.

Player	Fantasy Team	Line	Pts
Bijan Robinson (RB, ATL)	Raymond49	29 car, 194 yd, 2 TD, 2/2 rec, 19 yd	35.30
Drake London (WR, ATL)	Zaniac18	9/10 rec, 194 yd	28.40
Matthew Golden (WR, GB)	mattware1199	5/12 rec, 100 yd, 1 TD	21.00
Christian Watson (WR, GB)	JLozoya	7/10 rec, 96 yd, 1 TD	22.60
Tucker Kraft (TE, GB)	satiro	4/8 rec, 26 yd	6.60
Packers DEF	Whodatjuan	1 INT, 35 pts allowed	-2.00

Also worth knowing: Zaniac18 renamed almost their entire roster overnight, Caullyn made a QB shuffle in free agency (adding both Sam Darnold and Aaron Rodgers), and Jonah Coleman — last week's big waiver add — is already locked into Zaniac18's active lineup.

All 6 matchups · Scores reflect Thursday only — everything below is still to be played

Pearsall's Second Shot (Raymond49) vs. Romosexual Tendencies (Caullyn)

Raymond49 35.30 (58% proj. win, 145.08 final) — Caullyn 0.00 (42% proj. win, 134.57 final)

Raymond49 already banked the week's biggest Thursday score from Bijan Robinson and rolls into today needing very little else to go right. Caullyn's entire lineup is still ahead of it, led by Trey McBride (16.90 proj) and a Jonathan Taylor vs. Houston spot (19.92 proj) that looks like the best individual matchup on this slate. Closest projected margin of the day.

HeroGma (hogsett7) vs. real njigbas (00sef)

hogsett7 0.00 (60% proj. win, 137.82 final) — 00sef 0.00 (40% proj. win, 123.52 final)

Nobody has played yet in this one. Christian McCaffrey (20.63 proj) and Drake Maye (18.60 proj) anchor hogsett7's projected edge, while 00sef leans on Josh Allen (23.73 proj, the single highest projection anywhere on today's board) to keep it competitive. If Allen hits anywhere near that number, this flips fast.

Ryan Flournoy (JLozoya) vs. Fire Jerry (NathanR918)

JLozoya 22.60 (39% proj. win, 107.56 final) — NathanR918 0.00 (61% proj. win, 120.94 final)

JLozoya's Thursday-night Christian Watson score is already in the bank, but Drew Lock is projected for a flat 0.00 today — worth checking his active/inactive status before lineups lock. NathanR918 counters with Ja'Marr Chase (16.77 proj) and Joe Burrow (17.50 proj) both going in the same game against Pittsburgh.

Eight Games to Life (Karrobi) vs. Team satiro

Karrobi 0.00 (50% proj. win, 128.69 final) — satiro 6.60 (50% proj. win, 128.58 final)

A true coin flip on the numbers. Derrick Henry and Lamar Jackson both play in the same Ravens-Cowboys shootout for Karrobi (18.88 and 24.46 proj), while satiro spreads its risk across Dak Prescott, De'Von Achane, and Chase Brown. Satiro already has a small head start from Tucker Kraft's Thursday score.

Benny and The JJets (Zaniac18) vs. Jer13

Zaniac18 28.40 (61% proj. win, 141.62 final) — Jer13 0.00 (39% proj. win, 126.97 final)

Zaniac18's Drake London outburst Thursday already has this one projected as one of the more comfortable leads of the week. Jer13's counterpunch runs through a full Lions stack — Jared Goff, Jahmyr Gibbs, and Sam LaPorta all play the same early game against the Jets, with Gibbs' 23.56 projection the best number on Jer13's roster today.

the big benny yahu (Whodatjuan) vs. Dan Smith (mattware1199)

Whodatjuan 19.00 (55% proj. win, 133.12 final) — mattware1199 0.00 (45% proj. win, 125.97 final)

Whodatjuan's Thursday was a wash on net (Golden's big game canceled out by a rough Packers DEF score), but Jaxon Smith-Njigba's 21.92 projection today is the headline number in this game. mattware1199 needs a big day from CeeDee Lamb (17.42 proj) and Zay Flowers (14.05 proj, questionable) to keep pace — worth checking Flowers' status before kickoff.
